

DEVELOPER TRAINING OFFER

Composable Commerce Functional Architect Training

Level up your skills with colleagues from around the globe at the first-of-its-kind training program for architects and developers offered in Miami Beach during [Elevate - The Global Commerce Summit](#).

Get prepared for commercetools Composable Commerce and commercetools Frontend certification with expert technical trainers: this one-of-a-kind program offers the option to enjoy select activities at the global summit while you learn.

Training is delivered in person by experienced technical trainers from commercetools and includes:

- Voucher for a free commercetools certification exam, a \$250 value
- 100% standard commercetools curriculum
- Access to select conference activities, including the expo, the welcome reception and the exclusive Havana Nights party

Composable Commerce Functional Architect Training

What will you learn?

You will learn how to use commercetools functionality to meet your business requirements, while you get familiar with the commercetools approach to product data modeling, pricing, shipping, discounts and much more.

You will be able to apply this knowledge to a set of complex hands-on use cases and practice designing data model and feature configuration solutions. At the end you will be able to guide your team through their implementation.

Learning overview / Course outline:

- Use the Merchant Center
- Model Products, Categories and Prices
- Cluster your Project's Resources using Channels and Stores
- Create a checkout flow
- Apply Discounts and Promotions

Duration of the training:

- Tuesday, April 16th (1.30pm - 5pm)
- Wednesday, April 17th (9am - 5.30pm)
- Thursday, April 18th (8.30am - 2.30pm)

Agenda and schedules will be shared later.

Full course details can be found [here](#).

Pricing:

\$1250 (offered group discounts can be found on the website).
The training price includes a certification voucher (\$250 price value).

What else can you expect?

- You will get access to the Elevate Conference area
- The training agenda also includes attending selected product related conference presentations
- You will be able to join the Havana Nights Party
- You will be granted with a Certification Voucher that you will be able to use after the training.
